NMC ranks as one of the top two in-vitro fertilisation (“**IVF**”) operators globally. The Group is recognised as a leading provider of long-term medical care in the UAE through its subsidiary ProVita. Pursuing a selective international expansion program since 2016, the company now has total capacity of 3,109 beds across its network with 48% of this capacity in the Kingdom of Saudi Arabia (KSA), where the company has introduced long-term and multi-specialty care services.
